

## AVISA Gulf Exhibit at MRO Middle East

- MRO Middle East is the largest Maintenance and Repair exhibition and conference in the Middle East
  - Event attracts over 5000 visitors

Dubai, 1<sup>st</sup> March 2010

AVISA Gulf [www.avisagulf.com](http://www.avisagulf.com) joined other key aerospace decision makers at MRO Middle East to discuss upcoming trends, regulations, best practice and the most critical issues impacting the MRO (Maintenance, Repair and Overhaul) industry in the Middle East and around the globe.

MRO Middle East is the largest event of its kind in Dubai attracting over 100 exhibitors. Over 80 global airlines attended the event, along with Middle East government officials and international maintenance and safety experts.

Emmet Fleming, AVISA Gulf Airworthiness Manager and Justin Goatcher, AVISA Group MD at MRO Middle East

MRO Middle East was the perfect opportunity for AVISA Gulf to showcase their outstanding services to potential new clients in this rapidly growing market, as well as reaffirming their ties with existing customers.

**Justin Goatcher**, AVISA Group Managing Director commented:

*“AVISA Gulf is proud to have exhibited at MRO Middle East, the premier MRO Industry event in the Middle East this year. With the aviation industry progressing fast in this region we knew that this was an event not to be missed. We enjoyed unprecedented levels of enquiries from a wide range of industry members, making attendance a must for next year.”*
